

A20 ALTERNATING PRESSURE, LOW AIR LOSS

Homecare Powered Mattress

Good for Your Patients
...and Your Business

Maximize Revenue While Providing Quality Patient Care

Competitive bidding continues to shrink your margins. Still, more care is being administered to patients in their homes, and the need is growing for wound treatment surfaces for homebound patients.

Medline's **A20 Powered Mattress** – *the Easy Choice*

Suitable for any homecare wound treatment protocol.

Easy to own

Our most economical mattress replacement helps dealers gain margin.

Easy to use

User-friendly weight dials for customized therapy, and high-quality functions:

- Alternating pressure
- Low air loss
- Static float
- Low-pressure alarm with audio and visual indicators
- 400-lb. weight capacity

Easy to maintain

Easy-to-clean, waterproof, breathable nylon cover reduces shear and friction.
